04/24/438	WNC Councillors Q&A No councillors were present and no report had been sent.	
04/24/439	Bypass update Cllrs Morris and Grant had held a meeting with Dame Andrea Leadsom MP. At it they tried to express their frustration with WNC and the lack of communication from them and their failure to acknowledge their flawed BCR regarding the Bypass. The MP responded with comments: The problem is a local councillor one not hers and she can't help. Her office feel they are being bombarded with details from FPC and it is not needed. WNC have the right to make decisions without responding to FPC. The announcement there will not be a bypass was made by Cllr Phil Larratt on local radio, this is perfectly acceptable to do so without addressing FPC's clear misgivings. The BCR assessment is correct and properly completed. She had no comment to make about the detail of the misgivings raised FPC. She had no knowledge of the progress to assess the suitability for a weight limit in the village but was concerned that re-routing HGVs might upset others on the diversion route. She felt the compulsory purchase of some houses to straighten out the pinch point was a cheaper and quicker solution to the village traffic issues. "Some" houses was never quantified.	

	<p>When this was pointed out as not acceptable to FPC as it would merely mean more traffic travelling at greater speed through the village the response was it would resolve the pinch point issue and bring us into line with 77 other villages that feel they have traffic travelling at too high a speed in South Northants. Should FPC wish to make a complaint against any councillor or officer over the manner in which they have dealt with us we should present a case to WNC legal services.</p>	
04/24/440	<p>To receive and approve for signature the minutes of the meeting held on 13 March 2024 It was resolved that the minutes of were taken as read. They were signed by the Chairman and were adopted as approved.</p>	
04/24/441	<p>To Consider any matters arising not covered in the main agenda. The parishioner who has an interest in the village sign will attend the APM to discuss. Further questions raised about the option to take on grass cutting from WNC remain unanswered. It was resolved the clerk to chase WNC again. Cllr Nobes confirmed she had not received a reply from GB News concerning the earlier emails sent to them. It was resolved to send a reply to Nigel Farage as drafted by Cllr Grant. A response to the Boundaries report circulated by WNC has been tendered.</p>	<p>DW DW</p>
